Accounts Contact	
Accounts Email	
Accounts Contact number	

#### **Site Information:**

Opening Times?	
Forklift on site?	
Car Park or Loading Bay?	
Access to site and additional information	

### Payment terms

All invoices are due prior to collection for all new customers. The only exception is for variable costs which may need to be invoiced after collection and these will be on 30 days terms. These costs will be outlined when you receive a quote. Should you wish to open a credit account, you can complete an application after working with iWaste for 3 months.

### Data:

- iWaste is ICO. Approved and complies with GDPR (General Data Protection Regulations).
- Personal and Business data is stored in secure files with restricted access.
- Information is only held for the required amount of time and this will not be shared with external sources without your written permission.
- Data is used for Business transactions only.
